THE FACULTY and CLASSROOMS

In these pages we will show you a panorama of our faculty and the classes where we work through the days. Our ways divide when it comes to the specialties of our five courses: College Preparatory, General, Business Education, Home Economics, and Vocational Agriculture. FOOTBALL

August 18, 1949—This date marks the beginning of a sensational championship season for the Bulldogs of Jersey Shore High. Yes, Coach Hart predicted a few years back that, "49 is our season," and it really was. Our Bulldogs tore through the opponents in such a fine style that there wasn't any doubt that these Champions were playing their level best for good old J. S. High. Hats off to a great team!

JERSEY SHORE 19

MONTOURSVILLE 7

Wasting no time, the Bulldogs romped to a 19-7 conquest of a strong Warrior Eleven. Outstanding play of the game was when Kennedy, Shore center, went for a touchdown only to have it called back. Montoursville went on to win the West Branch title.

JERSEY SHORE 34

LOCK HAVEN 0

Nels Hoffman in his debut against Bulldogs of Jersey Shore, coached by Hart who in his high school days played for J. S. under Hoffman, really found going almost impossible as Jersey Shore completely outclassed the Bobcats in the annual classic. Outstanding play in the game—Reid's interception of a Bobcat pass and touchdown jaunt early in the game.

JERSEY SHORE 27

RENOVO 0

Bulldog substitutes gained much valuable experience here playing most of the last three quarters. After insuring a victory with a couple of td's in the first few minutes, Coach Hart emptied the bench. Outstanding play of the game was using the regular backfield on the line and some of the linemen in the backfield, combined with blocking of fullback Francis and the center line.

JERSEY SHORE 31

BLOOMSBURG 6

Jersey Shore's vaunted attackers were held in check during most of the first half by a good Bloom team, but the Bloom team couldn't stand up under our strong attack during the second half. Outstanding play in the game was Ferguson's 50 yard scamper for a touchdown which broke the ice in the second quarter.

JERSEY SHORE 21

MILTON 13

A well-drilled Milton eleven threw a scare into the Bulldogs before the Bulldogs roused themselves and came from behind to win 21-13. Before the game was 6 minutes old, Milton had a 13-0 lead but couldn't hold it.

JERSEY SHORE 26

DANVILLE 0

As in the previous games, the Bulldogs scored at will and also substituted freely in the game. Outstanding in the game was the great work of the backfield.

JERSEY SHORE 34

BELLEFONTE 0

Scoring 2 touchdowns in the first half and 3 more in the third quarter, the Bulldogs rolled on to their fifth straight victory over a supposedly powerful Raider eleven. Outstanding in the game was the sensational ground gaining of Ferguson, Ream, and Reid; and the Bulldogs rebounding like champions should, scored touchdowns in the second and third periods. Also outstanding were Haney, Kennedy, DeCapria converging on Snyder, Bellefonte kicker, and blocking his attempted punt, and Carpenter picking up the pigskin and dancing over from the 23.

JERSEY SHORE 26

SOUTH WILLIAMSPORT 13

An injury to Ferguson, the Bulldog's star half-back, stunned the entire team so badly that they were trailing a 13-0 defeat at third quarter mark. But with the return of Ferguson in the fourth quarter the champions began rolling again. Outstanding in the game was Reid's interception of a South pass which completely befuddled the South Mountaineers and again got the Bulldog attack rolling.

JERSEY SHORE 43

EMPORIUM 7

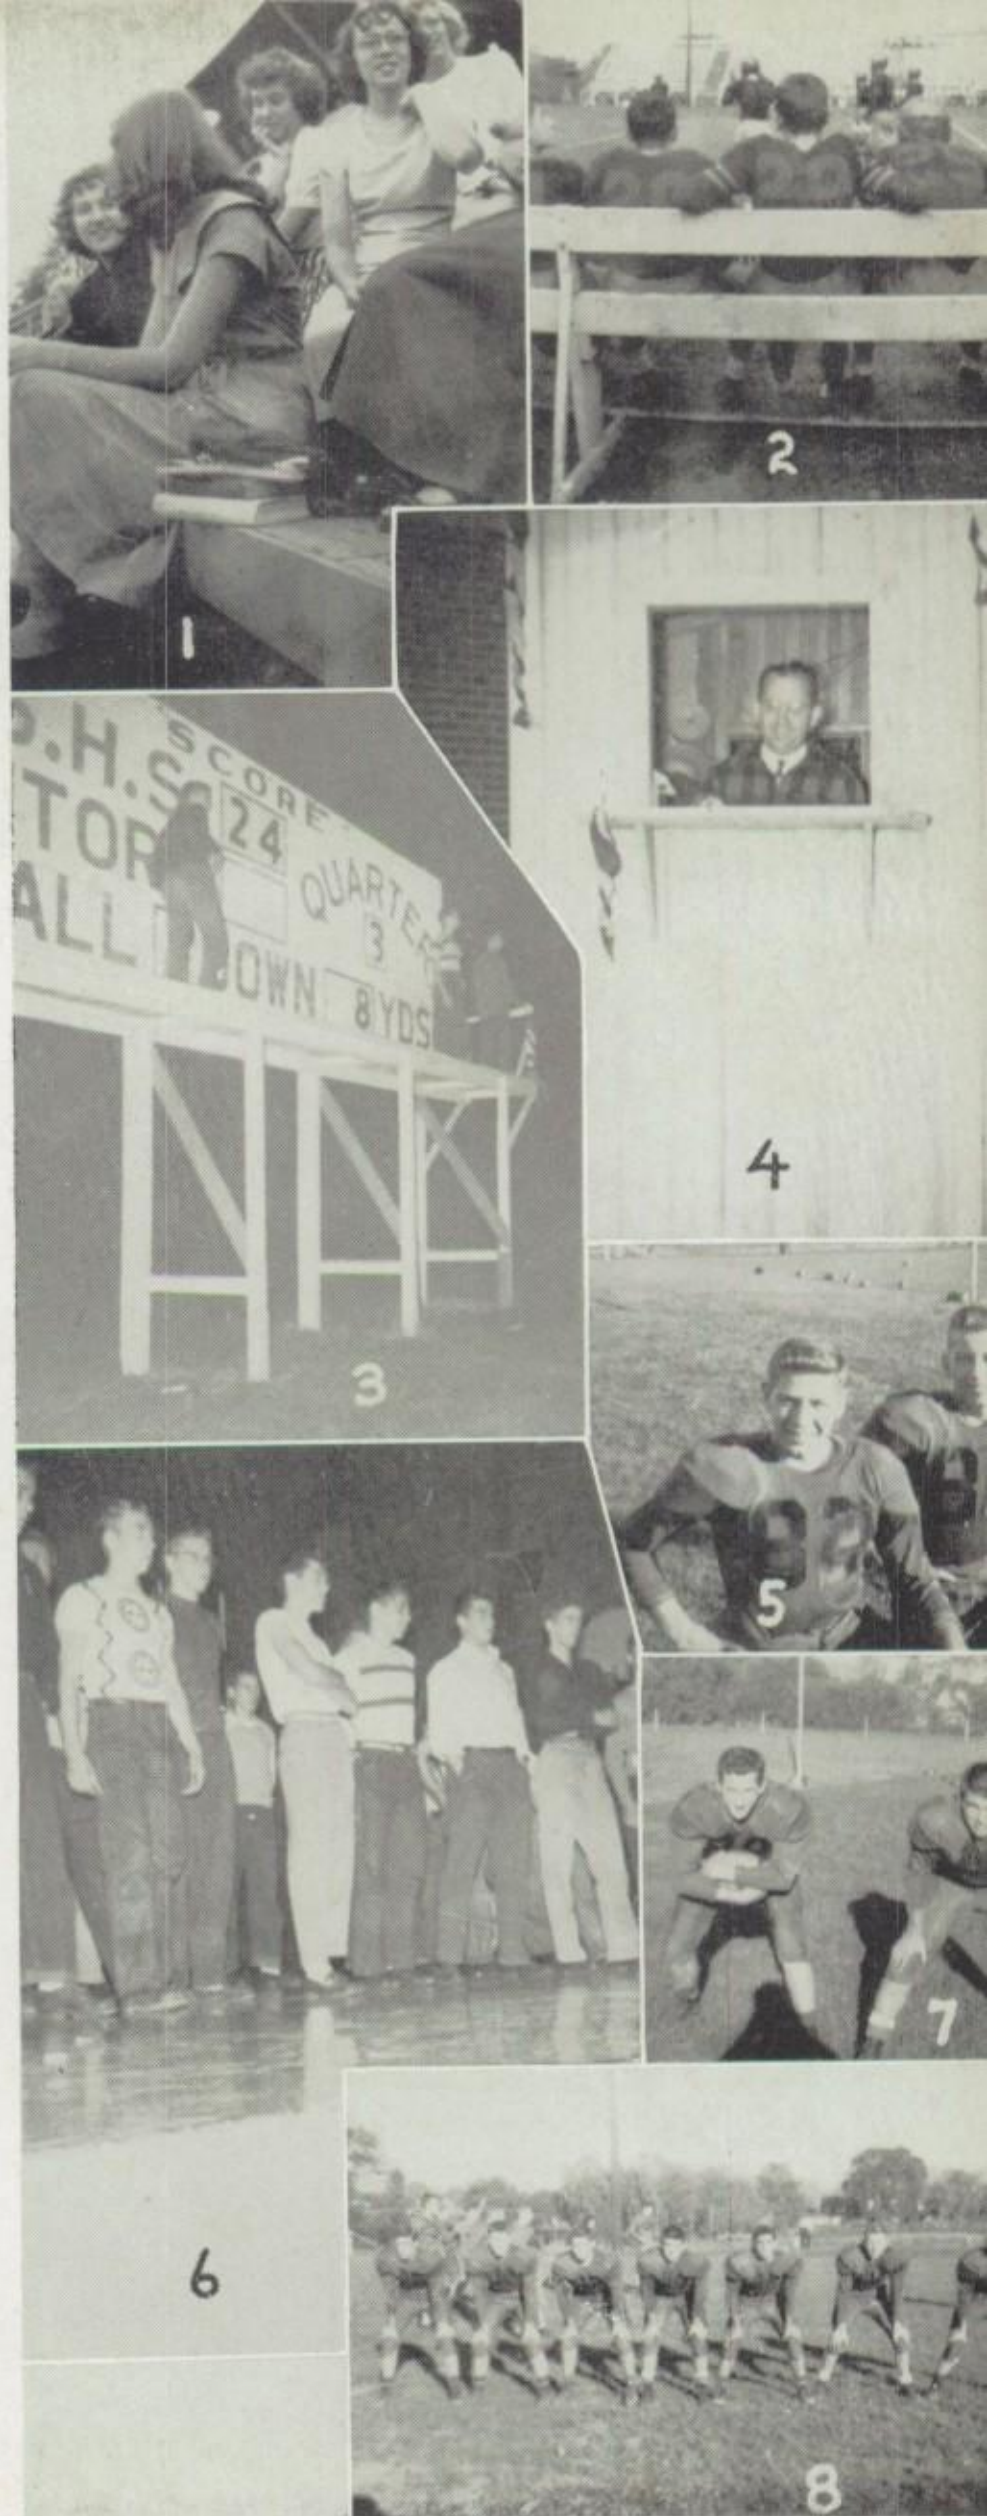

In rolling to their ninth straight victory, the Bulldogs had no trouble scoring as they pleased. Outstanding in the game was the way Kennedy moved in the quarterback spot of Don Reid and scored the first touchdown in his high school career.

JERSEY SHORE 20

TYRONE 0

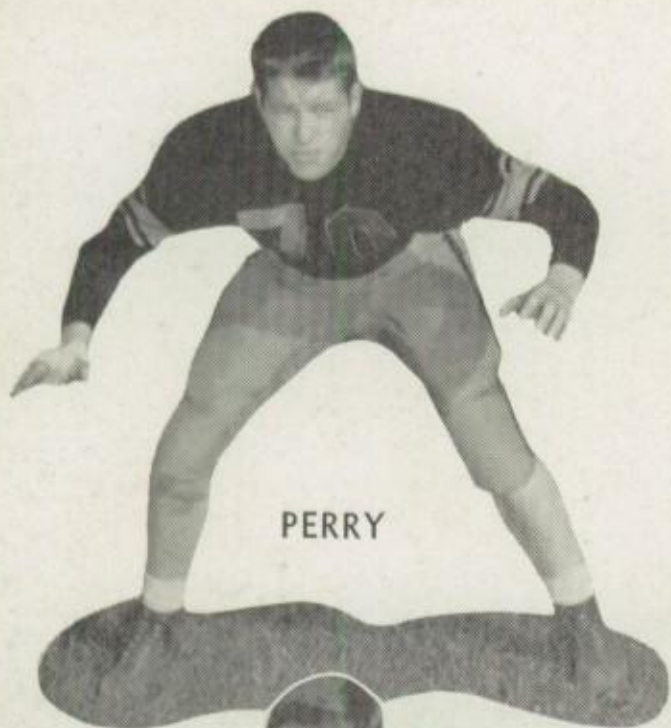

Finishing out the season in championship fashion, the Bulldogs beat Tyrone high for the first time in twenty-five years. Outstanding in the game was the running of Ferguson and Ream.

Certainly we can be proud of this championship team. Rain or shine our boys waltzed through each game with team-work and spirit seldom found on schoolboy teams. Special congratulations to those champions who played their last game for J. S. High.

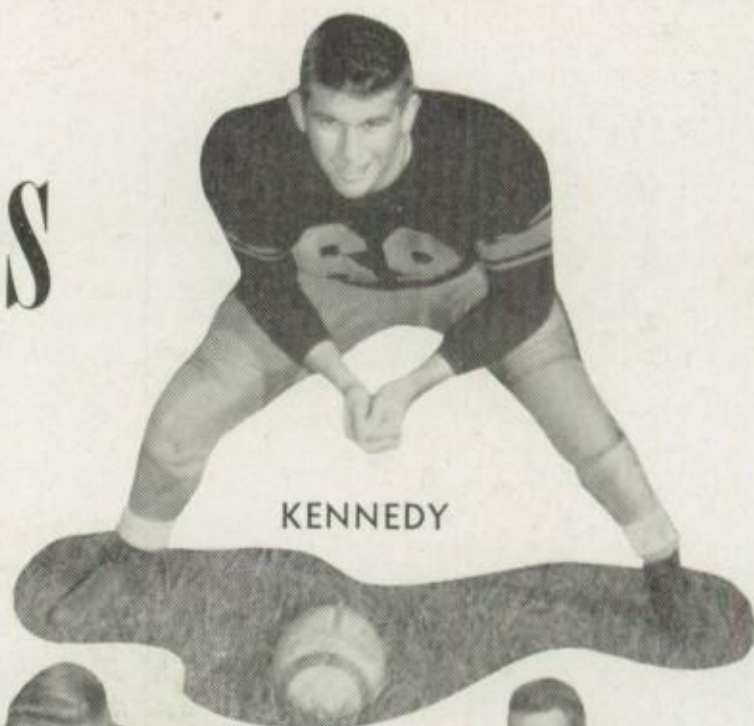

1—Hey girls watch the game. 2—J. V. Benchwarmers. 3—This tells the tale. 4—Mr. Keiler resting from his ticket-selling labors. 5—Play Makers. 6—Murder Incorporated. 7—Warming up. 8—Line Smashers.

CROWNING OF THE QUEEN

The School Council members who rushed around frantically on Friday, January 6 were making final preparations for the crowning of the Tiadaghton Bowl Queen after the game that night. This festival of crowning a beauty queen selected by popular vote by the upper classes of the school and the presentation of a loving cup is an annual event of our school. It was given the name Tiadaghton Bowl Festival in honor of the famous Tiadaghton Elm at Pine Creek. This elm was the historical site of the signing of a separate Declaration of Independence of the local settlers at the same time the famous Declaration was being signed in Philadelphia.

This year the queen was Sherrill Hiller, a member of the class of 1951. Her name, together with the score of the game preceding the crowning, was placed on a jug filled with Pine Creek water which rests in the trophy case. This jug bears the names and scores from the preceding festivals.

JERSEY SHORE 56

RENOVO 36

The Shore team romped to an easy win over the up-river team, beating them by a large margin. This brought them one game closer to a Central league championship.

JERSEY SHORE 47

SOUTH WILLIAMSPORT 42

The Bulldog quintet came out on top in this the most important game played thus far. This, the first half championship game, gave the Bulldogs the right to be in the final playoff if one is necessary. Don Reid netted 16 points to lead the night's scoring.

JERSEY SHORE 61

STATE COLLEGE 49

The Bulldogs won their seventh straight game defeating State in an easily-won game played on the loser's floor.

JERSEY SHORE 49

SAYRE 62

The Shore quintet lost to the up-state team breaking their current winning streak in a non-league game. Don Reid, a top scorer for the Bulldogs, was unable to play in the game.

JERSEY SHORE 41

SOUTH WILLIAMSPORT 52

The Bulldogs lost to South in this second-half league game. The game was played on South's Central Avenue hardwoods.

JERSEY SHORE 53

BELLEFONTE 36

The Shore-men defeated the Raiders' five by a much wider margin than that of the first half game. This was the last home game on the Bulldogs' schedule.

JERSEY SHORE 52

LOCK HAVEN 50

The Bulldogs defeated the Bobcats from the big island to avenge the defeat handed to them earlier in the season. The winning tally was made with only seconds to play.

JERSEY SHORE 41

ST. MARY'S 46

The Bulldogs lost to the Billtown team by a fairly close score. The non-league game was played on the Curtin Junior High floor.

JERSEY SHORE 55

RENOVO 38

The Bulldogs romped to an easy victory over the losers in the last scheduled game of the season. Gordon Haney received a bad gash on the back of his head during the game. Don Reid, who took the league scoring title, netted the night's high of 23 points.

JERSEY SHORE 34

SOUTH WILLIAMSPORT 33

For the seventh time in its Central League history the Bulldog cage team came up on top of the league. The Mountaineers were ahead most of the second half, and although only by a few points, it looked like a winning and decisive lead. Then, in a last second comeback, the Shore-men pulled the game out of the fire and made this a banner year for the Bulldogs who also won top football laurels.

Don't let that happen again.

Class of 1952

As we began our exciting year as freshmen we chose as our officers: President, John Wellington; Vice-president, Lewis Dingler; Secretary, Margie Elder; Treasurer, Fred Hauser.

The high-light of our "baby" year was the class party. Under the pressure of the upperclassmen we struggled through this year with the help of our adviser, Mrs. Weiler.

Meeting the standards of a little higher class, we started our sophomore year by electing: President, John Wellington; Vice-president, Fred Hauser; Secretary, Margie Elder; Treasurer, Harold Kissell.

The big event was to select our class rings.

We held the sophomore class party on November 1, 1949, the first and best of the year. Our adviser was Mr. Courtney.

Oh, yes, on to our junior year!

Class of 1951

In the month of September and in the year of 1947, there entered into the Jersey Shore High School a group of clumsy freshmen. This group of 184 students was none other than the present class of "51".

Our class officers for this year were elected as follows: President, Glenn Lehman; Vice-president, Anthony Mondell; Secretary, Joyce Kelchner; Treasurer, Lorraine Kitchen. Our class adviser was Mrs. Weiler.

The highlight of this year was our Freshman Class Party. At intermission, entertainment was provided by talented members of the class. The master of ceremonies was Everett Smith.

As Sophomores, we selected the following for class officers: President, Glenn Lehman; Vice-president, Carl Pepperman; Secretary, Joyce Kelchner; Treasurer, Edith Laufer. Mr. Courtney was our class adviser.

This year we took part in the Hallowe'en parade. Ordering our class rings, we took great pride in showing them to the Freshmen as well as to the upper classmen.

Again the class party was our main social event, with entertainment sponsored by the Sophomore class. The master of ceremonies was Ray Lomb.

Now, obtaining the title of "upperclassmen", we, the honorable class of "51" selected as officers: President, Glenn Lehman; Vice-president, Carl Pepperman; Secretary, Joyce Kelchner; Treasurer, Dorothy Lehman. This year our class adviser is Mrs. Daugherty.

Again we entered a float in the Hallowe'en Parade, also we entered a float in the Christmas Parade which won first prize—\$15.00.

The class party this year was the largest and the best. Our master of ceremonies during intermission was Eugene Hollick.

Sherrill Hiller was chosen from nominees to represent the Jersey Shore High School in Flaming Foliage Festival held at Hyner View. Here she won first prize and was crowned by Governor Duff. Sherrill was also selected as the Tiadaghton Bowl Queen.

Our main social event on the agenda will be the Junior-Senior Prom which is to be held May 26, in honor of the Seniors. Everyone in the Junior class is aiming for the same goal—a really successful Prom.

The Library

A dream come true and we wonder how we ever managed without it! Our library is the source of much fun and education and even some worry because it will probably be the cause of many more themes now that we can do reference work.

Hubba! Hubba!

The 94 piece Jersey Shore High School band, under the direction of Frank L. Schoendorfer, continued its activities during the summer months as well as during the fall, winter, and spring.

The Band was very busy and started the year last June by winning first prize at Wellsboro's State Laurel Festival, and later took second prize at the Avis Firemen's parade.

July and August found the band giving three outdoor concerts. They were ably assisted by former band members and other musicians of the town. Two of these concerts were given on the Jersey Shore High School Athletic Field and the third at Brandon Park in Williamsport.

The band played at the Pep Assembly and for the Pep Rally. They missed only one of the football games. In October they played at Walnut Street School's Ice Cream Festival, and marched in the Hallowe'en Parade.

On November 11 they made their annual trip to Williamsport for the Armistice Day Parade, and when they came home serenaded at the American Legion Home. Also in November they helped usher Santa Claus in by leading the Christmas Parade for the Merchants Association.

Representatives were sent to District Band at Coudersport, in January and to State Band at Hazleton in February. On March 27 and 28 they were on stage presenting the Band Concert.

After having a very successful year, the Band and Orchestra Mothers Association entertained the Band and Orchestra at their annual party. Our musicians ended the year by marching in the Memorial Day Parade.

A stranger coming into our learned halls, the first period on Monday mornings, might hear what he would think were weird sounds coming from the auditorium. The student body no longer worries about them, as the students know it is the concert orchestra practicing, under the beating baton of Mr. Schoendorfer.

The Orchestra is composed of 36 members and was heard quite often around school this year.

The Orchestra started its career this year by playing a concert for the High School P. T. A. on Oct. 13. A short time after that, on Oct. 20, they played at the high school for the B. P. W.'s Pennsylvania Week program.

On Dec. 8 they played for the Senior Class Play. The Orchestra sent representatives to District Orchestra at Martinsburg, March 9, 10, 11, and to State Orchestra at Hanover, March 30, 31, and April 1.

On February 26, they played for the Lycoming County District Sunday School meeting at the St. John's Lutheran Church, and April 20 and 21, for the Junior Class Play.

They ended the year successfully by playing for the annual commencement exercises.

School Council

OFFICERS

<i>President</i>	-	DOROTHY LEHMAN
<i>Vice-president</i>	-	JOHN LARSON
<i>Secretary</i>	-	LEE CARSON
<i>Treasurer</i>	-	EARL FLECK
<i>Adviser</i>	-	MR. MCILWAIN

That would be a good job for the Council! Not many days go by that those words are not heard. What are the plans for selecting the Laurel Festival Queen? Shall the Freshmen have a voice in picking a candidate for the Tiadaghton Bowl Queen? What can be done to prevent doors being left open in the morning, so that the halls will be warmer? The Council members are bombarded by questions daily. It is no wonder that meetings are as interesting as deliberations of legislature. The work of the Council begins after a decision—the members must carry the decision into execution. They skip around town making arrangements for parades, bonfires, clothing collections, and many other projects.

We, the ushers of 1950, are always found watching clocks when an important program is to be presented at J. S. High.

Ushering for formal affairs is especially fun when we can wear evening gowns and trip along the aisles.

We always look forward to Commencement—showing people to their seats on time—making sure they are in the right place. What a painful time when they aren't! Everyone gets angry.

These are only a few facts about ushering. You have to usher to know how much fun it is.

Tri-Hi-Y

We're the club that sponsors all those silly initiations at the beginning of the year by making those poor Juniors look as if they just escaped from an asylum. Before we did all this we drafted Mrs. Teufel into being our adviser. We then proceeded to the auditorium one bright morning to elect the following officers:

<i>President</i>	-	-	-	-	-	-	-	CONNIE WINTERS
<i>Vice-president</i>	-	-	-	-	-	-	-	MIRIAM ENGLISH
<i>Secretary</i>	-	-	-	-	-	-	-	JOAN DORWART
<i>Treasurer</i>	-	-	-	-	-	-	-	RUTH BILLMAN
<i>Chaplain</i>	-	-	-	-	-	-	-	BARBARA BOWES

We combined with the Hi-Y to sponsor a very gala Thanksgiving Semi-Formal, which was a grand success.

What's this? Girls bringing toys to Tri-Hi-Y meetings? Yes, we were working on Christmas baskets which were distributed to needy people in town.

We have been considerably more active than any other club before us, and also have a larger group. There are 60 loyal members of the 1949-50 Tri-Hi-Y.

Left to Right, First Row—Donald Perry, Neil Klinefelter, Donald Kennedy, Ray Ferguson, Russell Rhinehart, Charles Umstead, Kenneth Crosser, adviser. Second Row—Richard Getgen, Harold Kissell, Ronald Harer, Eugene Hollick, George Wooding, Lyle Perry, Ernest Brown. Sixth Row—Richard Carpenter, James Hahn, Ronald Marks, Dale Straub, Walter Rounsville, Gary Ruffhead.

Hi-Y

This year we, the holdovers from last year's club, got a little reckless and let 20 new members come into the club. This gave a grand total of 45 members. The "neophytes" got off mighty easy this year. The reason for this let-up on punishment administered, was due to the fact that the boys didn't look too healthy. So, we gave them more mental labor than physical beating.

There were many activities planned for the club in 1950. Some of these were having our blood typed, a supper for the club members and a hay ride.

The big social event was a Thanksgiving Day dance sponsored by the Tri-Hi-Y and Hi-Y Clubs.

The "big wheels" are as follows:

<i>President</i>	-	-	-	-	-	-	-	-	-	RAY FERGUSON
<i>Vice-president</i>	-	-	-	-	-	-	-	-	-	DON KENNEDY
<i>Secretary</i>	-	-	-	-	-	-	-	-	-	DICK CARPENTER
<i>Treasurer</i>	-	-	-	-	-	-	-	-	-	GEORGE WOODING
<i>Chaplain</i>	-	-	-	-	-	-	-	-	-	LYLE PERRY
<i>Sergeant at Arms</i>	-	-	-	-	-	-	-	-	-	RUSSEL RHINEHART

Radio Club

Calling CQ—CQ—This is radio W3OHV portable W3 at JSHS calling on the 10 meter band! Yes, O. M. our High School operated a full-fledged radio station in the first semester under the guidance of Charles Scheid. The "shack" was located in the basement and besides the "rig" we had a two-element beam on the roof—power was 30 watts and the gang above talked with Hams in Europe and the United States.

Column-a-Week

Extra! Extra! Read all about it! Having been formed for the purpose of the day-in, day-out news presented to interested townspeople, our club, under the supervision of Miss Carter, chose Arnella Larson as president and Joan Lorsong as secretary-treasurer. All fourteen members are girls who work hard to bring you the gossip that emanates from the organized confusion of J. S. High.

The Orange and Black Staff

We're the people who are responsible for your having a year-book. We discuss and plan, choose themes, and make dummies. We select the photographer and outline picture schedules. We plead, beg, and practically get down on our knees to have you turn in club write-ups. Then comes the big question, "Will we have a yearbook?" 300 subscriptions—that's all we ask, and this year we hit an all time high. Was it 300? No! 350? No! A big 408! Yes, we'll have our yearbook; so again the staff goes to work and you now have what we produced, your 1950 Orange and Black!

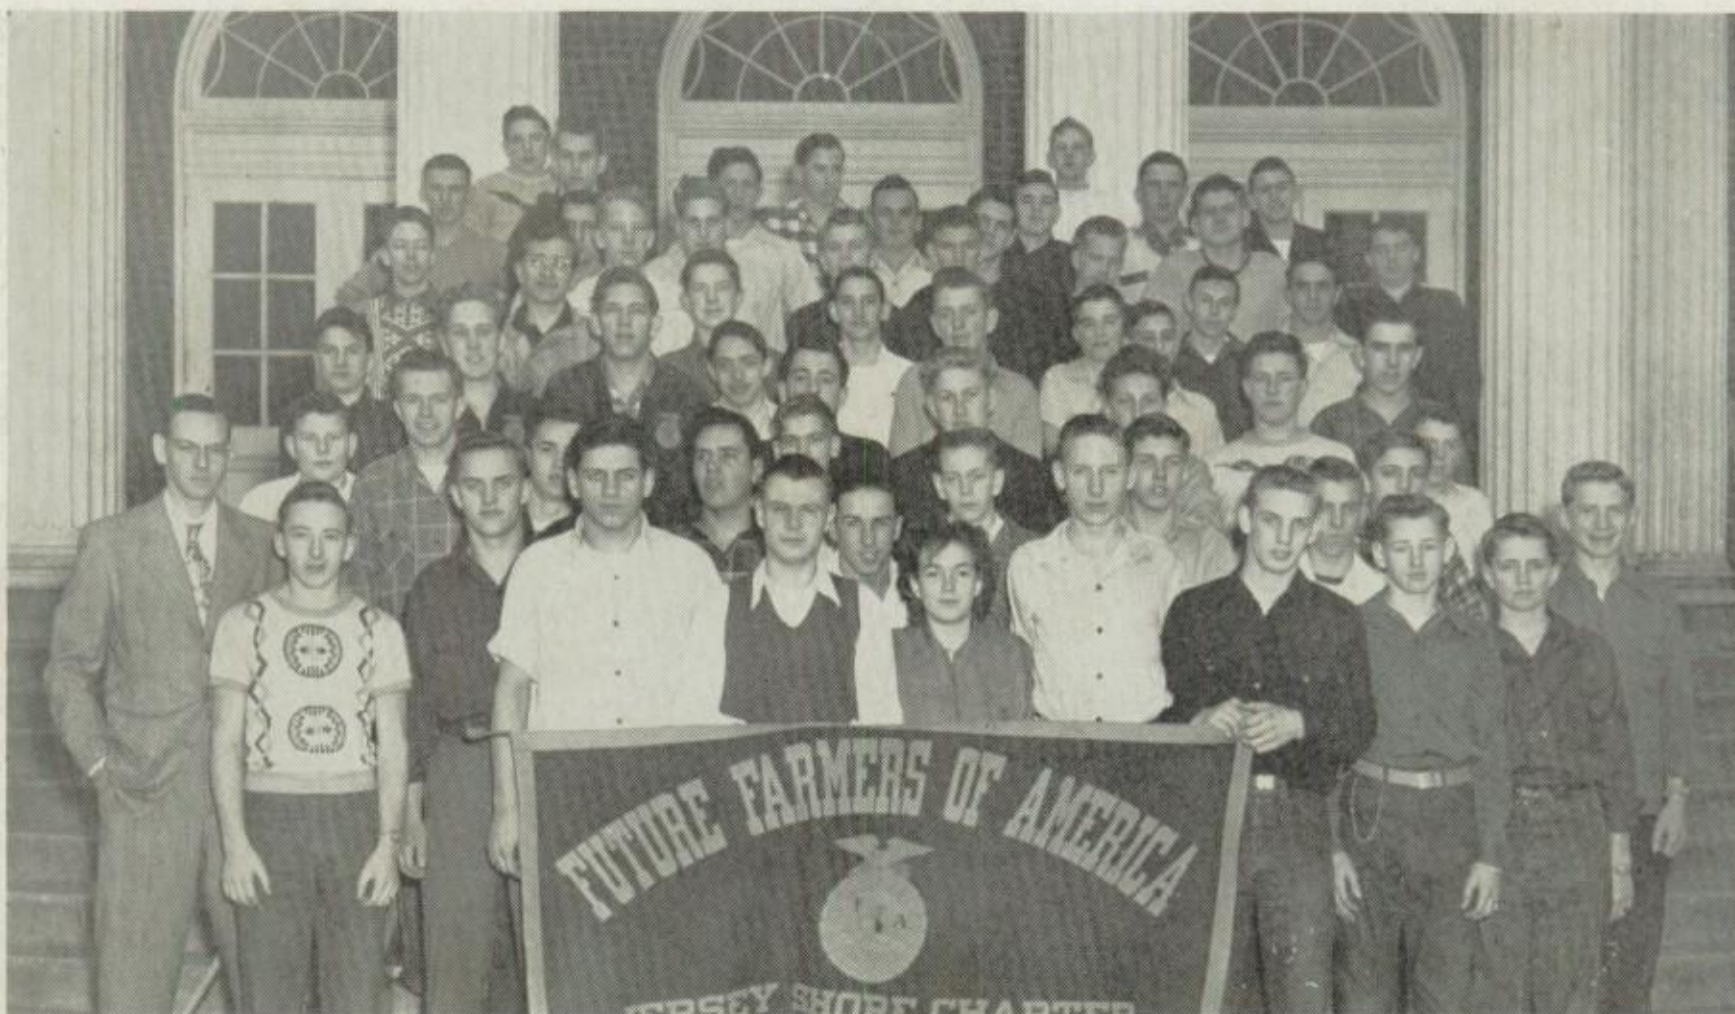

Reading From Bottom to Top, Against Wall—Miriam English, Joan Morris, Jane Gattiker, Joy Bottin, Martha Thomas, Arnella Larson. Opening the door to the F. F. A. meetings on Monday mornings, you are apt to hear; "What are we going to do this year? Are we going to sell seeds? Are we going to the farm show?" After deciding we would do all of these things, the question arises, "What about the banquet?"—Meaning our annual F. F. A. banquet. Shouts of ideas echo through the room, and we realize that this club means business. The program is put into operation and plans are made for the best banquet ever.

These and many other activities are carried on by the F. F. A., where the blue, red, and gold banner, the plow, the owl, the picture of Washington, and the ear of corn all suggest that the F. F. A. is a very busy and prosperous club.

Future Homemakers of America

In the beginning of this wonderful year 1949-50, the Future Homemakers of America cast their ballots for:

<i>President</i>	-	-	-	-	-	-	-	MILDRED WILLS
<i>Vice-president</i>	-	-	-	-	-	-	-	JANE BOWERS
<i>Secretary</i>	-	-	-	-	-	-	-	HELEN ENGLISH
<i>Treasurer</i>	-	-	-	-	-	-	-	HELEN WELSHANS

Helen Welshans had the job of collecting the money, but now Dona Mitchell has the fun of spending it. She was later elected Treasurer.

The F. H. A. does many things, such as selling delicious baked foods to the townspeople, taking care of some of the children whose parents come to P. T. A., and feeding those starving F. F. A. boys, who worked so hard during hunting season.

Our adviser is Miss Izer.

Americanism Club

Young Americans, attention! Are you in the know? Do you know what makes our country tick? If not, join our club.

Oh—it's proof you want—we'll ask any of our 36 members or our officers who are: President, Darlene Eisenhower; Vice-president, Marjorie Elder; Secretary, Walter Rounsville; Treasurer, Barbara Clark.

And as our head dean of learning is Rev. Verre Cummins, we have fine lectures and films to give us more knowledge. And last but not least, we took a tour of the government buildings in Williamsport, and also we had four parties.

Leaders Club

Already 1-2-3-4 is a familiar sound in many of the girls' gym classes—What is it? Who is it? Yes—it is one of the girls of the Leaders Club giving group calisthenics.

This peppy group of girls can be heard blowing their whistles and pointing out the do's and don'ts of various activities.

These girls may be distinguished from the group by the white "L" worn on their gym suits.

Miss Nevins is the adviser of the club.

The Tiadaghton History Club

Our school has needed a club like The Tiadaghton History Club for a long time. Why, this year we even had football programs through the sponsorship of our club! The man responsible for organizing this is Mr. Courtney. We're really learning a lot about Pennsylvania too. Our officers are: President, George A. Wasson; Vice-president, James E. Shoop; Secretary, Richard M. Stradley; Treasurer, Jack R. Glantz; Sergeant-at-arms, Fred Peluso; Chaplain, Charles Brooks.

We gave seven books to the new town library, and went on a few trips and took pictures with our new camera. We sent George Wasson and Richard Stradley to State College for the regional meet and two representatives to the state meet at Harrisburg.

Dramatics Club

What goes on in room 14 Monday mornings first period? No, it isn't a character out of the past, it is just one of the girls who has her face plastered with make up.

We are busily engaged in learning how to apply make up, create stage settings and learn how to speak correctly.

Our club is under the supervision of Miss Baird. We have no election of officers.

Left to Right, First Row—Sherrill Hiller, JoAnne Maurey, Mary Kreighbaum, Elaine Brickman, Joann Scheesley.

Class History

We began our memorable journey through Jersey Shore High together in September 1946 with an enrollment of 160 students. Having acquired sufficient experience by the second semester to struggle through a major election we chose the following officers:

[illegible]

Our class adviser for that green year was Mrs. Weiler. Through the efforts of our class officers we conducted the social high-light of our freshman year, our first school party. What a thrill for us then!

We started our sophomore year with 141 students having lost 19 over the summer vacation.

OFFICERS

[illegible]

These officers helped guide us through our sophomore year. We didn't need much help this year, however, as we were learning, slowly but surely, to take care of ourselves. The biggest thrill this year was selecting our class rings. As the year before, our only social event was our annual class party. Mr. Courtney was our adviser for this year.

Attaining the goal of upper classmen, with an enrollment of 117 we, as juniors elected:

President	-	-	-	-	-	-	DONALD KENNEDY
Vice-president	-	-	-	-	-	-	RAY FERGUSON
Secretary	-	-	-	-	-	-	DICK CARPENTER
Treasurer	-	-	-	-	-	-	HENRY DURRWACHTER

Our very capable class adviser was Mrs. Daugherty. Social events included the winning of a prize for a float in the Hallowe'en Parade, annual school party and the sponsoring of the Junior-Senior Prom at which we entertained the seniors. Then we had our first try at dramatics by presenting our junior class play titled "Susie".

We finally reached the stage where we could be called sophisticated. Yes, we were seniors.

This term of 1949-50 will long be remembered, not only as the year we became seniors, but also as the year in which the Jersey Shore Bulldogs rolled through an unbeaten season to attain the undisputed title of "Susquehanna Champions". Of course, this is no doubt due to the fact that nine of the eleven on the varsity squad were efficient, hard hitting, super-human behemoths of the gridiron, Seniors!

To help us in this distinguished year we elected:

<i>President</i>	-	-	-	-	-	-	-	-	DONALD KENNEDY
<i>Vice-president</i>	-	-	-	-	-	-	-	-	RAY FERGUSON
<i>Secretary</i>	-	-	-	-	-	-	-	-	DICK CARPENTER
<i>Treasurer</i>	-	-	-	-	-	-	-	-	GEORGE WOODING

(You see, the football team was well represented.) Our class adviser for this year was hard-working Mr. Jarmoska. Again, as last year, we won a prize for our float in the Hallowe'en Parade. This year, being experienced, we presented our biggest and best play, titled "The Bogeyman." Witnessed by two packed houses, this production was a great success. We also held our annual class party. We ended the term by being entertained at the annual Junior-Senior Prom, which the Juniors sponsored in our honor. This was the grand final of our four thrill-packed and history-making years in good old J. S. H. S.

Class Poem

If you could go back about four years ago,
You'd find us just freshmen, not much did we know.
We entered these halls a trifle in wonder it seems,
Because this was the answer to all of our dreams.

To those who have taught us we owe our thanks,
That we have gotten so high in our ranks.
We've fallen behind and come back as a team,
'Cause this was our vision, our hope, and our dream.

Today is our last to be one of you,
Tomorrow we start in a life that is new.
So we hope that you will know what we mean,
When we say that this—this day was our dream.

We're sorry-now to say farewell,
But our tales of you we will always tell.
When we finally succeed, our banners will stream,
And we'll know we've completed our childhood's dream.

But now we wonder, will we really be gone?
Or will our mem'ries reign bright as the dawn?
And so as we leave you, in well known-esteem,
We give you the chance to go on with our dream.

MARTHA THOMAS

HELPERS FOR OUR 1950 BOOK

Photography - - - - - PARAMOUNT STUDIO, Williamsport, Pa.

Printing and Engraving - - - - - GRIT PUBLISHING CO., Williamsport, Pa.

Our special appreciation goes to the representatives of the above firms: Miss Ann Smith, our photographer, and Mr. James Frailey, our publishers' representative. They gave us time, over and above anything they would be expected to do. We owe them our thanks; and at the same time, we want to thank everyone who contributed in any way to our 1950 yearbook.

THE STAFF

AUTOGRAPHS

*T*HIS scene at the end of a school day, repeated many times, brings us finally to the end of the term and the last page of our yearbook.
